

# VOLUNTEER TODAY AT H.O.R.S.E. of CT

~ dedicated to the rescue and rehabilitation of abused and neglected horses ~

At H.O.R.S.E. (the Humane Organization Representing Suffering Equines) of CT we are dedicated to the rescue and rehabilitation of abused and neglected horses. We are a 501(c)3 non-profit corporation, entirely volunteer driven.

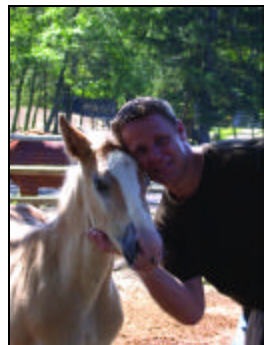

Our volunteers come as far away as New York City to help around the farm. There are many fun things to do that make a difference in helping our horses. Get a good workout and help with some of the heavy chores (ride an ATV!), or just take it easy and groom, walk and feed the horses. Spend a hour or a day at the farm. Whatever you choose, you'll have a great time ~ all for a good cause! And, make new friends.

Do you like speaking in front of people and contributing to the community? H.O.R.S.E. appears at county fairs, educational events, museum and cultural establishments educating people about horses, adoption and our many different sponsorship opportunities. You can help by volunteering at these functions.

Interested in a career in Animal Husbandry? Veterinary Practice? Farrier? Earn valuable hands-on experience at our farm, on your first day! See a real BLM wild mustang, retired police horse, a miniature horse standing only 3 feet high or our drafts, as large as 17 hands.

There are so many ways **[YOU CAN MAKE A DIFFERENCE](#)**. Take a tour of our rescue facility and help out today! You will make a difference by helping horses get back to a healthy and happy life and finding a new home or foster parent while they enjoy a safe haven at H.O.R.S.E. of CT. We need you, the horses need you!
